Agricultura Counties

It is an old codge, but lice tie Cr. op'e Cree's prospector, it gets there!

"Stor thie!!" And every man jack who hears the sound clays its hand to h s vest pockets fee's the nicke e received in change for the quarter that might have been there if he lach't spint it, and imagines he has been robbed.

"Stop thief! That is the dry upor which, apparently, the so elice lancouls raced to stamped c, he voters of I Paso county this for and get them chasing an apparition over the hills to the jumping of of hee, while a few smartles (ch, how smart, they are), shear are me when no one'ts oo ong that way, get ins could could house, look the coors, barrieded the wirelows and them open a title sorin the wall through which they will issue in my tation to the people.

"Walk up, tumple up, and way to get up, for your taxes are aga n que, and it s now our arn to say how the money s in the spent, and low much of t you sig. pay. We are reformers, you bet, and we are not reforming anybody for the fene it of our heath. You have voted for a change, and you're going to get to all right; a'' right!"

"Ston thief!--" But hold on before we join in the cry, and before we break our necks stampeding over a bull lite a crove of fool cattle at ne cry of a coyote who is forcing after restrated, let's step for a minute, or may je tivo, and consider life human beings instead of reckless shorthorns, with a seven-cross-quar er-circle-rushknife-ha f-vented brand on us, and an appetite for loco weef There is an important a ference between a stampaged voter and

a stampeded critter. The voice has a vote. There are some very good leasons way rickery of frang rule," which is only an American variation of the "stop-th of" cry, which was old before Neah went into the ark, is all tom-food sitness in El Paso county this fa'

In the first race, the majority of the poart of country commissioners are anti-lept b leans, or as the saying it! "airli-gaug." And these men are the ones to whom is committed the oversight of the county a Tairs and the direction of the county exhancitures. not on y in their own particular departments, but in a little others. he warrants or cleeks by waich the county pays its but are crawn by circution of the county compussioners upon the county treasurer, and the treasurer cannot pay any bit's in essitivey are ordered paid by the commissioners. So if there was any joinery or extravagance or stealing at the county court louse it would be the l'ant -gang" county commissioners who would be callefy rest

You cannot prove corrupt gang rule in E Pasc county for the past two years without browing the bame on the anti-Republican county commiss oness.

If of cia corruption cic exist he county commissioners would? know of it, and space the guit. If corruption die exist and the county comm ssigners (ich't)

know about it they would be stupidly ignorant of things hier, ought to know and fast it is in their power to correct.

For any person who pretents to leta Silver Republican to attempt to prove gang rule in I Paso county without baming the county commiss oners is like a dog chasing pimse t arount a post and snapping at 1.5 owr tai. He changes sides so often that he forgets which side he is on The noble army of "reformers" cannot get at the treasury

without tramping over they can be es of men of he rown party. Dut would that cause them to resitate? Well Islieu deay not

"Stop thi—" But Jo d on. Who are the th eves" Tie "gang" probabl". And what is the gang? Ine county offers.

A the county officers? No, on y t'el Republican officers.

Then an officer would not be a "gangster" jun ess he were a Republican, and if the county commissioners were Republicans, they would also be "gangsters;" "Stop th-"

But ho'd on.

Whom has the gang beer stealing from? ré taxpayers.

What is a taxrayer? A taxpayer is a man who pays taxes; ...

Can a man pay taxes wit fout knowing it? Twell, hardly. Isualy is worse than having teet a piller,

and they never give gas. "Ston-"

· But by ∈ on: Where 's the robbery? 4.

ne taxes are too high.

Taxes are always high, when you have to pay them, bit no /are a great dea better off than the dwe estinforter counties in

Taxes are high, out it's a whole, of butter to be living than, dead, and the only piece of choice restonce property when the res cents co not pay taxes is in a cometery.

Taxes are nig , but a shais it going to help matters any to turn out a Repub can 'gang" that has tepping taxes ower than inany other county in the state, and put in the juston committee's menagene of political fleaks leaded by Dor Lewis and J. Maurice.

W jam S ia cespeare in his famous interview with a certain Danis i prince, reports that atter gent eman as saying that it is ofther to bear the swo rave than to go chasing efter trop of that we are not accuainted with A tig it cinc is whole lot oct entrant wo be sours to a sucting broncio.

L' ie man w'ro stops to trin c two minutes, usua y trings four, and the man who then as four in nutes never stampedes.

Somewhere on this mage will be found a struement of the comparative taxat on in the various Colorado count es for the mst. six years. These i gures were obtained from the various county offic i s and are to so re led on. An examinate or of them, ought to convince every voter, who votes as he taines and not as he s brance fit at the ta coffa Republican gang rolling the county

is not or y untrue, but rijoss be. I ley in y lear out and prove leyond a spute the assert ons of io Repub can plauform:

"As an earnest of the competency of the Rerublican party of this county to conduct is a lars honest y and economically we refer confient y to the administration of its affairs by Repubcans for years past. Our tax levy for county purposes has been un formly ower than that of any other county in the state; and t ie average levy in a mi jority of the otier courties in Colorado for four years past tas been more han Loub e our own. Every other county in he state of considerations ze is burdened wit i a arge in enechess; of such Centive owe not a collar. Our county offices have been run, our ng the past two years especially, with a comparative y sma er and less expensive force than the sim ar offices in any other county in Co oraco."

The accompanying table shows le tax ev es W 1aie. for courty purposes n the minerpal Coloraco a) e Shows, count es for the past six years. In five out of those s x years E Paso county was entire y control ec by Republican county officers. For the past year a majority of the board of county comm ssioners bave been S ver Republicans.

There are two counties on the ist in which the amounts actually evec for county expenses have been ower tar those in E. Paso county. These are Araba toe and Pue lo, Bo h' of these counties consist practica, y of a sing e arge c y, in which an enormous property valuation is concentrated in a small area. and a which county expenditures are great y essence by the amounts expended under the direction of the dity governments. Furt er han that there has been no such growth in those coundes in the past six years as has ta ten place in T. Pasor' But the most important fact of a is that both of these countries have piece it) a ge sonced indestedness, while I has county has not one cent of this class of cents. In o her works and Pase county has hen paying as it goes, while the of lev two count es ment oner. keeping the actual expense as a lower rate as was made possible by the more casely concentrater no mintion, pave been pi ing up cebts wiren, wi. have to be pa d soon or ate wit if in-

Of all the countles o'the state there is none which more neary approaches the conditions existing in ? Paso than coes-Boulter. There, as here, there is a city of tons derable she. There as hore, the eastern part of the county is covoted to agriculture and stoc, rasing, and he was ern part to mining. The advantage if any slou concernity since they have no, as is the case here, argo towns and cities outside the county seat with a onting room ation. Ye the comparison shows that the average rate of taxation in Bour er county for the s x years wis 21.7 mils, while in I. Pasquounty is was 11.6 m. is. There was not one year in wir die the rate in Bor cer county was not considerably in exaso, in many years their rate was don de For 897 the rates are, excusive of the 2 mill for state school nurrhaes, 20.8 mi s for Bon der county. 8 n sor 3 Paso "o any la r-minded person these gures a ord incontroversi-

Je proj'tint there has deen no corrept "gang" ru'c n E. Pago county. Take into account the c roumstances of the case, he Licrease of population, the increase of manife wen'th a ways (e ayer a year by) ie system of assessment and another year was a cal postpones the payment of taxes, and soil, further by the Ce ay of property heve opment, which a ways againe in the me crease of population, the increase in ccirt expenses by fie tectous mining t gat on, to say not ing of he food of crimina dases, the miniense increase in the business at he sheriff's of ce, the world of recording a tie mining coat ons and mening reeds and eas s, the work put apon the assesson of tremendous vo time and unusua, comp exity, the enormous increase in work and expenditure in the (epartment of county se 1000's, to necessary construction of county roads and oridges, the demands made upon the county, poor finit, and ast the increased abortof caring for a this justness, the work of managing the county's work, of seeing that this well cone and that the accounts are exactly and lonesty (ept. Consider a dilese tings, see what the work costs in of it counties, not one of which outsite of Arapahoe has anything the thie volume of busiless (we are and too Araba log in some part en ars) and then say whether the "sang" of Renultican county of cers and the county comm ss one s. Re my lean intightst year and S ver Republicanis nee then have robbed the counity, the suggestion is w cheraly, an insulto common sense: and common decency. The man who makes it brands hanse f as a self sa schemer who is seeking his own ends irrespective of the good of the county.

Unito the year 1892 I Paso county had been E Paso outsice of Coloral o Springs, a purely agril u -Coi LTy Taxes tura conn s, and under the carefulation conomica a ninis ration of Republican commissioners and of the county officers ne taxation and ocen cut down int litre rate, 7 mils, was lowe labsolutely than any county whose record is ava, an e. that ie to lowing keep come the Crips To Creek riot, which involved the county in an expenditure of \$100,000, which was paid for by the cry of that year are oowing year the rate cropped to 9 mil s, but that this was too low was proved by the fact that in the following year it was necessary to ey, mills to cover a de ic ency in the court and pourhouse funds, these being two funds will rivere especially affected by the ran e increase of the population of he county. The With 3 mills for a sinking fung to be ld the county court louise accornets for the eyy of 1896, which was as ow as I could be made, and over tran could have been expected under the ciredistances

For 1897 the total evy s 13 mil s exclusive of the 2 mil's for the state school fund which is not included in the other "gives" given. Tie rate, courso that which revaled in the early days wi en E Paso county was small is still one- ia f the rate preva ent ir of ier counties of the state.

As a san pie of the way in which the E. Taso A Samme county a fairs are manager, by Republican of-Mile. Ace to dets: the freasurer's office may be seected, be causes in gures are conveniently at

nanc, and a so because Mr. Ste Line 2 is a cancicate for re-c ection in the Reminican lete . It is on y fair to say that a snowing corresponding y as good mig it be made in any of life o her

here s no other county in the sate, with anything like he amount of business to be manded that is done in our easurer's after which roes not require at least six ceres. atlet, which roes not require at least six ceres. has been able to hand e this business with only two cleries untisix months ago; and since tien, with only threel has ave age isa ary ist has been on y one-ja it at of he on y county in the state which compares with this one a most equally in the amount. of mismess cone. The rig. est sa arr paid to a clerk is \$100 a mon 13 wife in a . o. ier e unties o. any note, there is at east one de aty at \$ 50 a niont i.

ic reason Mr. Ste.nme z is ab a to co wit i so smal a force is that he is a worker almse f, and buts in as many lours a cay as his subjordinates. The has been a trule measurer's office lour Years as cera; before a s. c ec. on as reasurer, and understing se a the etais of the dice perfectly. Since he has been connected, with the office, its husiness as coub et. For about six mont is int the year is and his force of herks work in the evening as well as in the cayt mer-a performance not usua, in official postions of

is largely owing to the economical management of the offine that ast year here was a surplus of more than \$1,800; This year, the surplus will break but could eltrat amount; because the amoi no of taxes, to pe co. e tec . ig allout \$300,000 more than last year -tie increase being argely due to the increase in the number o neo porated toy ns.

There is another reason way, an county treasurer's office is a good one for this companison, and that is because the work;

igne there is a most entire y cesic work, and the results may be shown by figures. In the assessor's office to some extent and to a much greater degree in the case of the she iff the work is one outside and is to be judged by the results accomplished. The part cuid proof that Mr. Boynton has been a good saer ff is not shown by a s turning in a surp us to the county measury, phenonenalas that may be, but by the peace and good order which has prevailed name county curing his term of office.

for purposes of comparison there are an-__ C-1er Taese letters were received in answer to re-Contres jerged atters from officers of other counties. quests sent from this county-for the information contained in them. The table of rates of taxation was in caparec from these and other similar, etters, and as will be noticed, these contain also a stateme it as to the number of deput es emp cyed and the wages paid in the county offices . The letters selected are from counties whose conditions most nearly approach tacse of E Paso county, though there is not one of them where tic amount of ousiness transacted by the county of cers is ocua. either in volume or an comp exity to that which goes to the E Paso county court house,

Pueblo, Colo., Aug. 30, 1897. J. Steinmerz, Esc., County Freasurer, Colorado Springs. Dear Sire in answer to yours 2/th inst, county levy Puer o .3 1rii s 894..... s

Year 897 will be about same as year 896 (916 mills), My chief deputy gets \$150 per month, My book reeper gets \$100 per month: A other cerks (2) get \$90 per month. County as-J sessor have \$125, \$100 and \$90, and employe four regularly, but in Jusy tinges has 12 men and women. County c'er c's office as same as this (county treasurer's) office. We employ just enough to give gond service and keep he work we him hand. The expense of running this office is \$9,000 per annum. Committee of a nunrec desiced has amount to be within neasonable bounds, and my six years' experience here confirms the same. Tours sincerely,

Ward Rice. Bou cer Co, o., Sept. 1, 1897.

John M. ne son, Esq.: Dear Sir: Replying to yours of 27th juit., the levies have been as follows: For 1890, 6.4 miles: for 189, 212; for 1892 23.2; for 1893, 21 8; for 1894, 22.8; for 1895, 20.8; for 1896, 20.8; mils. The Levy for 1897 is yet to ceve op.

There is employed by treasurer, whose, sa ary is \$3 (90, one c est at \$100 per mon n; county c'er i's sa ary, \$3,000 per year; one c eris at \$ 00 per month, and one at \$65, and side issues and perquisites, and emouments thereto be onging.

Assessor's sala y is \$5 a cay. Deputies \$2.50 a cay, waile ⊋eo. □. Metca.f. wol't asts on y. Rospectfully yours,

Go den. Colo., Sept 🗀 Nr. J. W. Jackson, Assesso: El Paso County, Colorado Springs.

Deal Sir in perly to yours of Aug. 27, wi say our eyles for county purposes in ederson county have been as to ows. 1881, 241/2 mi s; 1892; 25 mi s; 1893, 23 mi s; 1894, 211/2 mi s; 1855, 20½ mi. s; _896, 2_ mi. s.

We are intending to make a 20 mil s levy for 3897, on valuation of a little over \$4,000,000. County clerk has one clerk or deputy at \$125 per month; a lowed extra clerk when recessary. County treasurer, one centy, \$125 per month; county assessor. one ceputy from April 2 at 34 per cay; extra he p when a solute y necessa v. County assessor's sa ary \$6 per cay. I. S. T. Greeg. Yours very truly, with

A) County Assessor Leacyi e. Colo., Aug. 30, 1897.

Steinmetz, Creasurer E Paso County, Coo: Idi reply to yours of the 2-th inst., would say our Levies! for the past few years were as follows:

Levy for 1892, 39 mil's on a valuation of \$:483.665. Levy for 1893, 34 mi s on a valuation of \$-,-11,59 h Levy for 1894: 37 mil s on a valuation of \$4,326,644.

Levy for 1895, 37 mi is on a valuation of \$1.174,4-6. Levy for 1896, 34 mills on a valuation of \$4,192,852.

Levy for \$97, Scouably 30 mit is on a valuation of \$3,758,593. L'ac above includes 4 mills for state pur loses, by declicting same will give you actual evy for county purposes. You notice that my estimate values the levy 2 mills for 1897 over 1396.

my estimate on tre decrease in valuation. Intregard to le land sa aries would say that the assessor is a owed \$4,500 per year, and he uses his own discretion about hir

n the office of c'erk and recorder there are four persons p over that is, including the clerk and recorder himse f. Two of

his assistants receive \$150 each per month and the third receives \$125 per monta. o per monta. In this office I have two assistants, one deputy receiving \$2 000

jer year and a c er a at \$10) per mont i. he leve tais answers the questions propounced and hoping

It may be of some service to you, and s fould, you abed any curtaer information that I can give, Twill cheering y give it, I remain, tell Yours truly.

Ceorge W. Wiyte. County Treasurer.

Sanguilly's Case.

Washington: Ock 6 The calebra ed case of Julio Sanguily is preserted in a ramphlet issued today by Sanguilly's counse, here, Joseph Rodriguez, It cels the story in detail, and gives a number of letters passing between Secretary Secretary Olney, Senator Sherman, Consul General bed and he United States min ster at Madrid, Mr. Taylor. As a phole the doc-ument up solds the course of President Cleveland and Secretary Olney and py nes out that the agriculton in Sar zuilly's behalf in congress only served to prejudice his case.

4 Robbec, a Bank. Louisville, Co. 7.-A special to the Post from Morgan Field, Ky., ays., Thiores !! entered the office of the Union County !! Bank today during lunch hour and secured over \$3000 in currency which was left in the cash crawer. When the bank officers returned they found the drawer had been

Suigide at Leadville.
Leadville, Colo., Oc. 7.—"Here nothing, such Michae, Monthly to wife, and sunflowed the contents of a fivecors had a train on the slding trying to, ounce bothe of carbone act.
